Dropping Courses

- In the Student Center and other enrollment pages, you will see a link to Enroll.
- Click on the "Enroll" link and select the 'Drop' Tab and select the term.

Beside each of your courses will be a checkbox.
- "Check" the box for each of the courses you would like to drop.
- Click "Drop Selected Classes" button to submit your drop(s).
1. Select classes to drop

Select the classes to drop and click Drop Selected Classes.

- A confirm your selection page will come up.
- Click the Finish Dropping button to confirm you want to drop the listed class.
If your drop was successful, you will see a "Success" page that confirms the class was dropped.

- If your drop was successful, you will see a "Success" page that confirms the class was dropped.
  -
You can verify that your drop was successful by going to the "View My Schedule" page to make sure the course does not show up in your schedule.

You are not registered for classes in this term.

- Congratulations, you have successfully dropped your course(s).
