

Sept. 8, 2025: Student Email: Welcome Falcons!

Welcome, Falcons!

With your first week already behind you, I wanted to congratulate you for starting off a new academic year at UW-River Falls. It has been great seeing you all and the energy and excitement you bring to our campus.

Whether you're new to campus or returning, please know that you are part of a welcoming community where we all want each of you to engage, grow and learn. As Chancellor, I can reassure you that our faculty and staff are here to support you and help you find the resources you need to succeed. Don't be afraid to reach out!

I encourage you to take advantage of the limitless opportunities available at UWRF. Engage with your professors, join a new student org, visit our lovely community, attend our events and performances, and cheer on the Falcons on the field, pitch, court, ice or track. Your college education is both a big investment and a once in a lifetime experience. Make the most of it!

YOU are why we are all here and I can't wait to see all that you will accomplish. Welcome home!

Sincerely,
John
